

Spotlight on OCI at the Monaco Yacht Show

The 17th Annual Monaco Yacht Show opens in Monaco's Port Hercules on Wednesday the 19th of September, to a stunning display of exclusive superyachts from 10am to 6.30pm each day through until Saturday 22nd of September. OCEAN Independence will be located at stand 16 on the T-Central quay, and a desk on the Chicane quay, where OCI show representatives will be welcoming visitors and taking appointments for viewings of their four splendid yachts.

The OCI yacht line up for MYS 2007 begins with the zingy 27m Pershing, 2002 'MV Spirit of Zen', in berth 05 on the Chicane Quay. This fast and luxurious cruiser sleeps 8 guests in 4 cabins and reaches speeds of up to 40 knots.

On the North Jetty at berth 11, will be the popular 39m charter yacht 'MV Alta'. Built by Picchiotti in 1986, and refitted in 2007, this classically styled yacht sleeps 10 guests in 5 well-appointed cabins.

Coasting over to the floating T-jetty, two genuine showstoppers await. Making her European debut at berth 35 is the brand new 45m Transocean Explorer, 'MY Marco Polo'. This superbly designed ocean-going yacht sleeps 10 guests in 5 cabins and an evening of cocktails and canapés will be held on board on Wednesday the 19th of September.

Finally at berth 36 on the floating T-jetty, will be the alluring Amels 'MY Sarafsa', whose appearance on the market is already causing quite a stir. At 55m, this yacht sleeps 12 guests in 6 cabins and has been meticulously maintained since her launch in 1997.
